Smart, Simple, Responsible...Protect yourself, your family, & Estate.

**Why is the Freedom To Go Plan so Important?** So many Americans are away from home these days for business, family visits and recreation.

Traveling has become second nature to most of us and we tend to forget that when we're away from home...anything can happen, including death. Our plan takes care of everything for you should a death take place away from home.

Would YOU know what to do in the event a loved one died away from home?

## Advantages of our Travel Plan

- World-wide membership coverage
- Extensive network of providers to assist you anywhere, anytime
- No caps on expense\*
- Experienced help in the time of need
- Language barriers eliminated

\*Expenses covered are detailed in the membership contract.

✓ **Ready to protect you and your loved ones?**

**With the Freedom To Go Plan from APASI, you can have peace of mind because we take care of it all for you.**
